

NUTRITION SERVICES

BREAKFAST/LUNCH INFORMATION 2018-2019

The Nutrition Services Department uses a computerized system for the breakfast and lunch program. Each student has a separate account. Prepayments for accounts can be sent to school or made online by debit or credit card by accessing the RevTrak system through the school's web site at www.waukeeschools.org. There is no limit on the amount of money deposited into an account.

All money will go into one Nutrition account. Parents often want to know how to set limits on what their child can spend. ParentOnline allows parents to view their child's nutrition account, monitor/set spending limits, and view account history. Parents will be able to use one sign in for multiple students. Parents must sign in and create an account in order to set limits for what their student can spend their Nutrition money on. Parents/Guardians will need to create a ParentOnline account at <https://www.schoolcafe.com>

All students will use their student ID# to access their nutrition account.

Menus will be posted on our website at <http://www.waukeeschools.org> under the nutrition link.

Elementary Schools: Breakfast \$1.75, Lunch \$2.70

Will be allowed to charge a breakfast or lunch, they will not be allowed to charge milk, juice, bottled water, or a la carte breakfast items.
