

FRAMEWORK FOR MEETING NEEDS OF ALL STUDENTS

Classroom Support	Core Instruction (Tier 1)		Supplemental Instruction (Tier 2)	Intensive Instruction (Tier 3)
Instructional Emphasis	Design instruction around essential standards	Develop opportunities for learning and practice through varied instructional approaches and strategies	Provide differentiated learning opportunities based on observed learning needs	Implement individually designed strategies and/or interventions to support students' needs
Grouping for Instructional Support	Provide combination of individual, small & whole group instruction		Implement core & frequent small group instruction for students who need additional support or extension	Implement <u>daily</u> small group or individual instruction & targeted learning opportunities
Assessment for Learning	Ongoing formative assessments to guide instructional decisions	Adjust groups based on formative assessments	Assessments match small group instructional focus	Frequent progress monitoring & data collection
