PROGRAM OVERVIEW

Mission Statement
The purpose of the Silver Cord Program is to instill within students the importance of community service and encourage students to be accountable for investing in their own education and in the community on a regular basis during their school years.

Starting the Program
Students are eligible to earn silver cord hours beginning November 15 of their 9th grade year. Students can begin tracking volunteer hours at any time during their high school career. There is no requirement to earn a specific number of hours each year. The last day to earn hours is April 30 of the senior year. All students at Northwest and Waukee High Schools and ninth graders at Prairieview and Timberline Schools (beginning November 15) are registered for the Silver Cord Program. Log in to the silver cord website at www.waukeesilvercord.org with your Waukee Community School District username and password to begin adding volunteer hours.

Recording Hours
1. Student logs in to the silver cord website with their @waukeeschools.org email and password. Student can view approved and pending volunteer hours, add hours, view approved organizations, and submit organizations for approval.
2. Student finds available opportunities via the link on the silver cord website or in weekly school announcements, or by following the Waukee Silver Cord Program on Facebook and/or Twitter.
3. Student views the approved volunteer organizations under View Organizations. If interested in volunteering with an organization that is not listed, the student submits the organization for approval. The approval process can take up to 10 business days. Student will be notified via email when the organization has been reviewed.
4. Student volunteers with organization. Student asks for supervisor’s full name and email address. This information will be required if the student needs to submit the organization for approval. The approving supervisor cannot be another student or a parent, unless that parent is employed or directly affiliated with the volunteer organization.
5. Student submits hours on silver cord website within 30 days of volunteer service. Students can earn a maximum of eight silver cord hours per day. Service cannot be during a student’s scheduled school day, even if the student is excused from class. Submitted time cannot include meals, breaks or travel.
6. When hours are submitted, the entry is marked as pending and an email is automatically sent to the organization contact requesting verification of the hours. The Silver Cord Supervisor is notified when the contact responds.
7. The Silver Cord Supervisor reviews the submission and approves or denies the hours. The status of the entry is changed to approved (green check mark) or denied (gray x). Student is notified that the hours have been reviewed.

Guidelines
- Students are eligible to earn silver cord hours for service occurring between November 15 of their freshman year and April 30 of their senior year.
- Students who have volunteered 175 hours by April 30 of their senior year will have the distinct honor of wearing a silver cord during their graduation ceremony. (Because of closures due to COVID-19, students in the Classes of 2022 and 2023 have been prorated 23 hours.)
- Students can earn a maximum of eight silver cord hours per day.
- Students may choose to earn up to half of their total silver cord hours volunteering within the Waukee Community School District.
- Silver cord hours cannot include meals, breaks, sleeping, recreation, or travel.
- Silver cord hours cannot be approved by a student.
- Silver cord hours cannot be approved by a parent, unless the parent is employed or directly affiliated with the organization and also approves hours for other volunteers in the same activity.
- A student cannot earn hours during his/her scheduled school day, even if the student is excused from class. A student can earn hours during a scheduled open block.
- Silver cord hours must be submitted within 30 days of the volunteer service. The volunteer organization must be included in the list of approved organizations on the silver cord website before hours can be added. Students should plan ahead and submit organizations for approval prior to the 30 day deadline.
Communication regarding the Silver Cord Program is sent to students via their Waukee Schools email address. Students should access this account regularly for updates regarding the program and their silver cord hours.

Transfer Students
Transfer students are eligible to earn a silver cord at graduation. Total hour requirements will be prorated based on the date of enrollment in the district and possible participation in a similar program at a previous school. Please notify the Silver Cord Supervisor if you are a transfer student.

Finding Approved Volunteer Opportunities
Students can earn silver cord hours for any non-profit 501(c)(3) organization. A link to available opportunities is listed on the silver cord website and in your school announcements. Opportunities are also shared on Facebook and Twitter under Waukee Silver Cord Program. Students are not limited to posted opportunities; however, all organizations must be included in the organization dropdown menu on the silver cord website before hours can be added. Students must plan ahead and submit organizations for approval prior to the 30 day deadline.

Scholarships
The Silver Cord office can provide letters of community service verification for college admission, scholarship applications, or other applicable opportunities.

Recognition
Students who have volunteered 25, 50, 100 or 175 hours will be recognized on the WCSD website at the end of each term after completion of each milestone.

Students who volunteer 175 hours by April 30 of their senior year will receive a certificate signed by the corresponding Principal and the Silver Cord Supervisor. Students are awarded their silver cord on graduation day and have the distinct honor of wearing it over their graduation gown during the ceremony. Students keep their silver cord to remember the people they have served and the experiences gained as a Silver Cord Program participant.

Acceptable and Non-acceptable Service Activities
Volunteer service hours must meet a clear need and be performed through a non-profit 501(c)(3) agency or affiliated organization. Exceptions must be approved in advance by the Silver Cord Program.

Students may choose to earn up to half of their total silver cord hours volunteering for the Waukee Community School District. This includes all K-12 buildings, the district office, and Community Education programs. Not all WCSD activities are eligible for silver cord hours. The following requirements apply:

- The work is above and beyond what is expected.
- No varsity letter, school credit or grade is given.
- The student or organization the student belongs to does not receive financial or other compensation. This includes but is not limited to direct sales, fundraisers or donations. An exception may be approved in advance if the organization donates the profits to charity.
- Students who provide service to a team by participating as a manager can earn a maximum of 15 hours per year for that activity.
- Students who provide service to fellow students by participating in a show choir band or crew, jazz choir combo, pep band, or as the school mascot may earn a maximum of 15 hours per year for that activity. Theater crew and pit band are not eligible for silver cord hours.

Service completed at home must be pre-approved by the Silver Cord Program. The Silver Cord Program will work with the non-profit organization and the student on a case-by-case basis to determine eligible opportunities.

Accepted religious activities include, but are not limited to: volunteer service during mission trips; teaching or assisting with weekly bible school, vacation bible school, confirmation classes, or special performances for younger students; babysitting during religious services; working on a production or sound crew.
Silver cord hours may not be directly involved with the rituals, services, or ceremonies of any specific religion. Examples of non-acceptable activities include, but are not limited to: singing in the choir, playing in the band, candle lighting, reading from religious texts, altar service, collecting offerings, or performance in programs such as nativity plays, choral concerts or other special events.

Other examples of non-acceptable service include, but are not limited to:

- Babysitting, yard work, or helping individuals, whether related or non-related.
- Acting as a participant in a charity walk, run or fundraiser.
- Music or athletic practices.
- Activities or service that are required as part of membership in an organization or club.
- Activities or service that are required for merit badges, advancements or awards in Boy Scouts, Girl Scouts, 4-H or similar organizations.
- Rehearsals and performances that are expected as part of participation in a voluntary arts program. With prior approval, an exception may be made for performance at non-mandatory community service events.
- Service that is part of an academic, court-ordered, or discipline requirement.
- Participation in self-improvement workshops or clinics.
- Activities for which a student or a group to which a student belongs is financially compensated.
- Volunteering for a campaign for a specific political candidate.

Activities not addressed in this handbook are not guaranteed to be acceptable for silver cord hours. Questions regarding the eligibility of any service should be directed to the Silver Cord Program Supervisor prior to volunteering.

**Appeal Process**

If a student or parent(s) wishes to appeal a decision of the Silver Cord Supervisor, they must do so in writing to the Director of Community Education within three (3) business days of the receipt of the Silver Cord Supervisor’s decision. The Director of Community Education shall consider the circumstances and evidence of the case and shall make a decision, which will be communicated in writing to the student, parent(s), and Silver Cord Supervisor. The decision of the Director of Community Education shall be made within fourteen business days following the date on which the appeal was received.

**CONTINUOUS NOTICE OF NON-DISCRIMINATION**

It is the policy of Waukee Community School District not to illegally discriminate on the basis of race, color, national origin, gender, disability, religion, creed, age (for employment) marital status (for programs), genetic information (for employment), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination.

If you have questions or a grievance related to this policy please contact one of the following:
