Trust & Confidence

**Waukee School Board Work Session, Monday, January 28, 2019**

District Priorities – Initial Ideas

Identified by the District Administrators at the request of IASB Facilitator

Provided to IASB facilitator (the week of January 21-25) and shared with the Board on January 28th

## District Priorities – Initial Ideas/Draft – Side-by-Side

Waukee CSD Board Work Session  
Monday, January 28, 2019

Notes:

- These long-term priorities (over at least the next 2-4 years) were generated by the board and administrative team members at two separate times. The board saw the administration's input for the first time after the board identified areas during the January 28 board work session.
- These are compiled notes provided by the IASB work session facilitator following the board work session. Moving forward, the board and district are welcome and encouraged to reorganize and refine these priorities as they desire.

<b>Generated by School Board</b> (board work session on 1.28.2019)	<b>Generated by Central Administrators</b> (sent to IASB Facilitator on 1.24.2019)
Build trust and confidence	Rebuild credibility and trust
	Enhance collaborative communication
Maintain academic excellence and innovation	Innovative learning for students and staff
Manage growth	Anticipate and plan for growth
Plan for 2 <sup>nd</sup> high school and impact on feeder schools	
Creating a positive work environment (communication, long-term plan for compensation)	Model the leadership we want from staff and students
Changing demographics and diversity	Strengthen equity and diversity capacity
Fiscal management/well-being of the district
